Guest speakers

ECO Tim Brown will be helping with Seneca County for the winter. Region 8 ECO's are still under staffed. He may not be available when you call but leave a message and he will get back to you. He asked that we get in touch with our local politician to address the need for the hiring more ECO's. Deer take for the archery season looked good. However, the number of hunters in the field seemed low. There is also a lack of deer processors in the area, if you know of any please let him know. He gave his business card to all in attendance.

Chris Lajewski and Dave O'Dell of the Montezuma Audubon Center. Spoke about how for the past 15 years there has been a children and family programs run at the center with emphasis on hunting and outdoor sports. To include 6 weeks of summer day camps. Which get the children out to help do things like manage wetlands. Should you want to get involved and/or help. Web site <https://ny.audubon.org/montezuma> or call 315-365-3580

Delegate Reports

Tom Grasek attended the NYSDEC State wide FWMB meeting, held November 14th and 15th. He is the NYSDEC Region 8 FWMB Sportsmen's delegate for the State FWMB. He will give a full report at the December meeting.

Old Business

No update on the sale of the Babcock-Hovey Boy Scout camp was available.

It was realized that the Federation had not sent The Buckhorn Sportsman's club the \$100 donation for the "Shoot for Hope" event. Bill would see to it that the donation is sent out immediately.

New Business

Midlakes skeet team/club was #3 in the nation this year. They are New York State champions. Romulus, South Seneca and MacDougal are actively participating in trap and skeet shoots.

There was some discussion on the election results. We as sportsmen and gun owners need to be more active in elections.

Motion to adjourn -- Meeting adjourned.

Meeting adjourned @ 8:15 pm.

Next meeting: December 20th Buckskin Bowmen Archery Club Interlaken Sportsmen's Club
