Old Business

Duck hunting @ North end of Seneca Lake; FLCC wants a letter of support from SCFSC; Secretary tasked with that effort → originally discussed at October meeting

[following is from October notes: President Wadhams discussed that City of Geneva wishes to end waterfowl hunting along the concrete wall on Seneca Lake. NYSDEC has advised that so long as 500' from occupied building and shooting into the lake that there is no issue from their end with hunting waterfowl. Discussion ensued, President to reach out directly to Geneva City Council.]

New Business

Lengthy discussion on fundraisers: came up with a couple of ideas. (1) try a meat raffle rather than a gun raffle, some discussion about the costs and anticipated profitability; (2) gas/gift cards (Bass Pro, etc.); (3) food – Doug's Fish Fry/Chicken BBQ.

Nomination committee formed: Ron, Norm, and Gary.

Motion to adjourn -- Meeting adjourned.
