- Guest Speakers: Aaron Gordon indicated he will try to attend meetings every other month – recommended reaching out to Tony and Tim as excellent local resources.
 - Question from Bill on deer harvest – indicated it was slightly above average and overall about 10% higher than last year (though that is heavily dependent on a number of factors).
 - Also indicated that there was some court activity in Varick, they responded to complaints from 911 center while they were staged @ Depot; a number of cases of trespass and shooting through the fence
- Keith Tidball: works on conservation council at the state level, provided thanks to everyone for Wounded Warriors event in November – fundraising went well, planning to put this on again next year

Committee Reports

Sign Committee: Dennis Money reported no room for our sign in the building—discussion ensued about possibly doing a billboard or an outdoor sign; Keith advised that Dennis leases the building and Earl Martin actually owns it. Keith contacted Earl during the meeting and is planning to set up a discussion. Continued efforts will include Keith, and Tom G.
